COVID-19 Public Health and County Operations Update

Nearly all County of Imperial government offices will reopen for limited walk-up service starting on Tuesday, June 15, 2021. While several County offices have remained open during the pandemic, the expanded reopening is due to the rapid decrease of COVID-19 cases and restrictions lifted throughout the state.

Safety protocols will be required when visiting and all visitors, including those who are fully vaccinated, will be required to wear masks inside County facilities. Offices will initially reopen with limited capacity and each department will maintain its own schedule. These plans are subject to change depending on state guidelines and local health orders. The County will do its best to continue to keep the public informed of any changes.

For more information on each department and their services, visit www.ImperialCounty.org.

All departmental information provided IS SUBJECT TO CHANGE.
