### **County Submitted Photo of Sunbeam Lake Places Third in Statewide Photo Contest**

**August 24, 2021** – On Friday, August 20, the Rural County Representatives of California (RCRC) announced the top three winners of their fifth annual Rural County Photo contest. A photo of Sunbeam Lake submitted by County of Imperial Public Information Officer, Gil Rebollar, placed third among the nearly 100 entries submitted from across the state in an effort to capture the beauty and splendor of California's rural counties.

Titled, "Illuminated Waters," Rebollar's photo highlights Sunbeam Lake at dusk with the sun and its golden rays of light reflecting off the calm lake.

"Congratulations to Mr. Rebollar for this recognition in capturing the beauty of Sunbeam Lake and our County," said Chairman of the Imperial County Board of Supervisors, Mike Kelley.

"There are so many gorgeous locations in our County and I am excited that just one of our local treasures will deservedly be receiving recognition across the state," added Rebollar.

The photo, along with the first and second place winners, will be showcased at RCRC's upcoming annual meeting in Monterey County in September and may be featured in various RCRC marketing materials or work products throughout the year to promote tourism and local economic development. The photo can be viewed on the County of Imperial's Facebook page at <https://www.facebook.com/ImperialCntyCA>.
